ARP ESSER
PREVENT, PREPARE, & RESPOND

ARP ESSER funding provides districts and schools with emergency relief funds to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the nation's students. ARP ESSER funds may be used to develop strategies and implement public health protocols including, to the greatest extent practicable, policies in line with guidance from the CDC on reopening and operating schools to effectively maintain the health and safety of students, educators, and other staff.

Community members, parents, students, teachers, staff, and administrators have been consulted and provided feedback on areas of need that may be addressed using ARP ESSER Funds. There will be a zoom meeting to inform stakeholders of plans for the use of ARP ESSER funds and to provide stakeholders with an opportunity to submit feedback on those plans. All are encouraged to attend the zoom meeting which will take place online on Thursday, September 2, 2021 at 4:00 pm via the following link:
