

2D-shapes (flat)	equation	quarter circle
3D-shapes (solid)	fourths, quarters $\frac{1}{4}$	rectangular prisms
addends	greater than	right circular cones
addition	half	right circular cylinders
analog clock	half-circle	second hand
array	hour hand	skip counting
associative property	inch centimeter	standard units
attributes (characteristics)	less than	story/word problems
bar graph	manipulatives	strategies
bundle	measure	subtraction
closed shape	mental math	sum
clue words	minute hand	tally marks
colon	multiples of 10	tens
commutative property	non-standard units	trapezoid
compare	number sentence	turnaround facts (fact family)
create	ones	unit
data	open shape	whole
design	operation symbols	
difference	order length	
digital clock	part	
doubles (facts)	part whole	
equal sign	patterns	
equal to	picture graph	
	place value
