Re: Qualifications of Teachers and Paraprofessionals

According to the No Child Left Behind legislation of January, 2002, all parents are to be notified of the qualifications of both teachers and paraprofessionals. Under the legislation you are entitled to the following information:

1. Whether the teacher has met the State qualifications and licensing criteria for grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under an emergency or provisional status which State qualifications or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
4. The qualifications and services offered to your child by a paraprofessional.

Please call your local school to inquire about receiving the above information. If you need additional assistance, please call the Jones County Schools office at 649-5201.
