The Jones County School District is excited to announce that we will continue the preschool program for the 2019-2020 school year. There will be 2 classes at East Jones Elementary, 2 classes at North Jones Elementary, 1 class at Glade Elementary, 1 class at Moselle Elementary, and *possibly* 2 classes at South Jones 7th grade building. Students will be selected for the program based on a screening process. If you are interested in your child possibly participating in the program, please call the elementary school (listed below) nearest to your home address and schedule an appointment for your child to be screened. Please do not call the Central Office, as we will not be able to schedule appointments from that location. **Appointments will be taken from March 1st through April 5th. No appointments will be made after the screening window, so please be mindful of your appointment date and time.** Before the end of the current school year, you will receive notification if your child has been selected for the program. Children scoring high-risk on the assessment screener will be selected first with higher-scoring students selected to complete the class rosters.

Before making a commitment to apply for eligibility to the preschool program, it may be helpful to know the following information:

- The program will be from 7:45 am – 2:45 pm.
- Transportation will NOT be provided to and from school.
- The child must be toilet trained.
- Immunizations must be up-to-date and state “for school entry K-4”.
- The child must be four years old on or before September 1, 2019.
- Preschool attendance zones MAY not follow traditional elementary school zones. For example, if a class is not full at Glade Elementary and classes are full at East Jones Elementary, some students residing in the East Jones area may be approved to attend pre K at Glade. In addition, West Jones and South Jones eligible students will be served at other locations.
- Dismissal from the program may occur if a child demonstrates excessive absenteeism or non-compliance to the school’s behavior rules.
- The schools will not have a waiting list if students are released from the program.

Special education guidelines will be followed for all students with a special education ruling.

We appreciate your interest in the Jones County School District’s preschool program!
