

Jones County School District
K-8
Academic Camp

The Jones County School District is dedicated to ensuring our students have the best educational opportunities. Our district is excited to offer a summer academic camp for our students. JCS Academic Camp will be held at each high school campus the month of June from 8:00 a.m. until 12:00 p.m. Students will receive high quality ELA and math instruction with daily lessons focusing on essential grade level standards from the Mississippi Department of Education Scaffolding Document.

This is a great opportunity to close achievement gaps, provide enrichment, and reinforce essential grade level standards for our students. Parents or guardians who would like to provide their child with this educational opportunity may sign up using the **QR Code below. If you choose not to use the QR code, you may sign your student up on the Jones County District Website.**

Transportation will be provided; students will also be fed breakfast and lunch. Please see the following Academic Camp locations:

North East Jones High School: Students attending East Jones Elementary, Glade Elementary, and NEJ Middle

South Jones High School: Students attending Moselle Elementary, South Jones Elementary, and SJH Middle

West Jones High School: Students attending North Jones Elementary, West Jones Elementary, and WJH Middle

We will need the following information for each student who will be attending the summer enrichment program.
